

Insights® Discovery Accreditation Renewal

Would you like to refresh your Insights Discovery knowledge and maintain your Accreditation Certificate?

Would you like to explore and experience new materials, exercises, ideas and ways of delivering Discovery?

Would you like to connect and share best practice experiences and exercises with like-minded practitioners.

Would you like to reinforce and build on the learning from the four day Insights Discovery Accreditation program?

You should attend the Discovery Renewal, because:-

- Refreshing your knowledge is vital to being a successful Licensed Insights Discovery Practitioner
- Reinforcing the Discovery language and technical aspects will ensure you deliver a correct and consistent message
- Revisiting the Discovery Learning Lab will ignite your passion and enthusiasm with new skills and materials to deliver even better Discovery based solutions for your organisation.

The Discovery Accreditation Renewal program is designed to refresh and update your knowledge of the Insights Discovery® learning system. There is a Webinar or Webinar & One Day program option to achieve renewal.

You will be reminded about all the amazing Discovery tools and resources available to you. You will explore options to enhance the design and delivery of Discovery based solutions in the areas of Personal, Team, Sales and Leadership effectiveness.

Key exercises from the resources will be reviewed and experienced to equip you with inspiring new content for your next program.
